

TRAILER RENTAL SAFETY CHECKLIST

Use this before every rental

BEFORE BOOKING

- ✓ **Verify** the driver is qualified to tow
- ✓ **Choose** a platform with driver screening
- ✓ **Review** trailer size and weight limits
- ✓ **Confirm** your vehicle's towing capacity

BEFORE PICKUP

- ✓ **Inspect tires** (pressure & condition)
- ✓ **Test** all lights (brake, turn, running)
- ✓ **Check** hitch and coupler connection
- ✓ **Attach** and secure safety chains
- ✓ **Confirm** trailer brakes (if required)

BEFORE DRIVING

- ✓ **Load cargo** evenly
- ✓ **Maintain** 10-15% tongue weight
- ✓ **Secure** all cargo properly
- ✓ **Double-check** hitch connection
- ✓ **Test** lights and brakes again

DURING USE

- ✓ **Drive** at reduced speeds
- ✓ **Increase** following distance
- ✓ **Avoid** sudden braking or turns
- ✓ **Watch** for trailer sway
- ✓ **Check** load on longer trips
- ✓ **Make** wide turns

PRO TIP **Always rent to verified drivers.** Driver screening (MVR) significantly reduces risk.
